

PARENTS' NOTIFICATION of PLANNED ABSENCE FROM SCHOOL

Please complete the following form and return it to the School Office in advance of the planned absence (preferably one week prior to the absence). Please note that absences during school time are disruptive to your child's education. Even when assignments are made up, the classroom presentations, discussions, and interactions can never be duplicated. Any long term assignments such as reports or projects that come due during the absence should be turned in before the planned absence. Other student assignments may not be requested in advance. It is the responsibility of the student with the parent's guidance to request the missed assignments upon the student's return to school.
